Apologies for commenting so late.

See comment boxes in upper left hand corner of some slides.

Spelling errors need to be corrected.

Suggest restating the purpose of the assessment to reflect language used in the ES and Chapter 1.

Sheila —

It would be great if you can incorporate the next set of changes on Monday since I will be out on furlough and the tribal call is on Tuesday. Tami will not be able to review this until tonight or tomorrow and I left a hole on slide 12 for tribal consultation information.

I am also copying Palmer, Jeff, Hanady and Marianne on this version in case anyone wants to offer suggestions.

DELIBERATIVE

I have some revisions (attached). Judy – will you make changes today or do you want one of us to incorporate changes? I am happy to incorporate revisions on Monday.

Here is the draft powerpoint for the tribal call next week. Please feel free the edit. Slide 12 (tribal consultation) needs improvement. The presentation is 28 slides long. There are some outtakes at the end that I left attached for reference. Judy

PS – I am on furlough Friday and Monday
